Maximizing Student Potential through individual attention

DACC has partnered with Southwest Colorado ESchool to provide one on one ACT/SAT prep with a tutor as well as supplementing with an online test prep system called Prepworks which is a proven test prep system that guarantees

- 3 point increase on ACT\*
- 150 point increase on SAT\*

*\*So long as students take all practice tests, meet once a week with their tutor at DACC and complete the 50 hours of work online.*

**Option 1** is for students who feel good about Math/Science sections but need help in English, Reading or Writing\*

**Option 2** is for student who feel good about English/Essay sections, but need more help in Math and/or Science\*

**Option 3** is for student who would like tutoring in all sections of the test.

*\*The online program will cover all sections, but the focus is on the one on one tutor help in the areas that the student needs improvement or help.*
